

## Mastering Financial Freedom For Your Future

Here are some questions for you to answer as you begin to explore your plan for Mastering Financial Independence:

1. Do I have a retirement account/plan that I currently contribute to? \_\_\_\_\_
2. Do I have a minimum 6 month "emergency fund" just in case? \_\_\_\_\_
3. Am I working toward being debt free? \_\_\_\_\_
4. My current credit card debt is \_\_\_\_\_.
5. Do I spend less than I earn? \_\_\_\_\_
6. Do I actively and continually invest in education and learning to further my skills set and increase my earnings and wealth potential? \_\_\_\_\_
7. Do I have a plan to retire early and independently of a "job?" \_\_\_\_\_

My plan is:

Wealth and business education is priceless, and these are a few of the of the keys I learned from Robert Kiyosaki (Rich Dad, Poor Dad) over the last decade or so. I recommend answering these questions; then decide where you are headed in terms of your answers? Are you on track to achieve your goals, or do you have work to do?

Keep this worksheet and use it every 6 months to "take your temperature" and use as part of your business planning.
